

It is that time of year again. The Booster Club needs your help with the concession stand. We fund many projects such as the After Prom Party, Award's Night, Elementary and Secondary equipment that benefit all our children. The concession stand is the primary way we fund these projects. It's very hard to make out this schedule without knowing yours, but hope you will make the necessary arrangements to help out. **Please call someone to switch with if you can not make your scheduled time. It gets very busy once school start and its greatly appreciated when you take on this responsibility yourself.**

As a parent/guardian of a student(s) in Canistota School your help is extremely important to our success. Thank you!
