

Canistota Hawks

The Mission Statement:

Canistota Hawks Booster Club will promote and support the academic and athletic activities of the students by encouraging public and parental support and participation.

Concession Stand

The Hawk Booster Club will manage the concession stand for the Fall, Winter and Spring Athletics (Cross Country, Volleyball, Cheerleading, Football, Band, Girls Basketball and Boys Basketball). Parents of student in Grades 7-12 will be asked to sign up to work in the concession stand for 3-4 events. (See 2012-2013 Concession Stand Worker Schedule)

The Booster Club uses the proceeds from the concession stand to pay for requests for student enrichment and recognition throughout the school year. In order to make this a profitable venture for the Booster Club we request that all fundraising in the school commons area or football field during ballgames, using food related items, be approved by the Booster club before the event. We want to make sure that whatever is sold does not compete with the items being offered from the concession stand, unless approved first by the Booster Club voting members.

Request for Funds

The Hawk Booster Club will take requests for the funds throughout the school year. Decisions and notification of fund distributions will be made within a month of each application submission (See Application Submission Form)

Here is the funding that has been distributed in any given year by the Hawk Booster Club:

- Athletic Pictures in Hallway of High School
